7.45 'til 10.15am

SPEAKERS

Liz Reason

(AECB CarbonLite Programme) on the necessity and opportunity of eco-renovation across the construction trades.

Tim Fenn

(eco2h20 Limited) will share his thoughts and aspirations in the context of the North Bicester Eco-town and the skills development process for site operatives.

A key opportunity to learn more about the business benefits of sustainable building skills, plus sign up to specifically designed training opportunities on air tightness testing, insulation, energy saving in buildings, the impact of the 2010-16 Governmental Targets. Input from preferred manufacturers, along with visits to ongoing projects are also planned

**OXFORDSHIRE
COUNTY COUNCIL**
