

The Oxfordshire Construction Training Group

- The Benefits -

Cost effective 'one-stop-shop' advice and assistance on all aspects of both construction and related 'soft skills' training solutions, designed to include:

Strategic, Management & Supervisory development

Technical Skills (including Modern Methods of Construction)

General H&S (CSCS) and Plant (CPCS & NPORS)

First Aid at Work

Aiding the pre-qualification Tendering process

A dedicated Training Officer, with access to a preferred list of accredited providers

Significant Member discounts on related Health & Safety, First Aid and Plant training

Access to subsidised training packages and CITB construction-specific funding

Sharing of skill-based resources for Apprentice training and learning –
evidence-based portfolio development, leading to full qualification

Annual Apprentice Wage Rate guidance

Annual Apprentice of The Year Awards (Merit, NVQ Levels 2 & 3)

Direct links to local Colleges of FE and Trade Associations

Employment and Occupational Health guidance

HR support and advice, plus recruitment, training planning and evaluation

Member-specific website access, with a reliable central point of reference

Assistance with maximising the return on annual CITB Levy, via Grant Claims

A cohesive and collective local voice for the industry

Industry and Trade networking forum

Annual Membership Fees (from January to December 2021) = £200.00 + VAT

www.theoctg.co.uk

"satisfying local skill and Apprenticeship needs, leading to greater prosperity for our Members"
